

XS108BLNAM12

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs108blnam12
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Signal Type	24
Signal Level	24 V
Voltage	12 - 24 V
Product Type	Sensor

Description

Telemecanique Sensors Inductive Barrel-Style Proximity Sensor, M8 x 1, 1.2 mm Detection, NPN Output, 12 → 24 V
