

XS130BLPBM12

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs130blpbm12
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Telemecanique Sensors Inductive Barrel-Style Proximity Sensor, M30 x 1.5, 8 mm Detection, PNP Output, 12 → 24 V
