

XS1N12PC410

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs1n12pc410
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.09 kgs
Voltage	24 V
Product Type	Sensor
Signal Type	24
Signal Level	24 V

Description

Telemecanique Sensors Inductive Barrel-Style Proximity Sensor, M12 x 1, 2 mm Detection, PNP Output, 12 → 24 V
