

XS2M18MA250K

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs2m18ma250k
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Relay Specifications	264 VAC
Temperature	250
Product Type	Sensor
Signal Type	264
Signal Level	264 V

Description

Telemecanique Sensors Inductive Barrel-Style Proximity Sensor, M18 x 1, 8 mm Detection, Discrete Output, 24 →
