

XS2M18MB250

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs2m18mb250
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Power Supply Type	AC
Signal Level	240 V
Product Type	Sensor
Signal Type	240
Relay Specifications	240 VAC

Description

Telemecanique Sensors Inductive Barrel-Style Proximity Sensor, M18 x 1, 5 mm Detection, Discrete Output, 24 →
