

XS4P18PA370L2

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs4p18pa370l2
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Telemecanique Sensors Inductive Barrel-Style Proximity Sensor, M18 x 1, 8 mm Detection, PNP Output, 10 → 58 V
