

XS530B1NBL2

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs530b1nbl2
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Telemecanique Sensors Inductive Barrel-Style Proximity Sensor, M30 x 1.5, 10 mm Detection, NPN Output, 12 → 48 V
