

XS612B1MBU20

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs612b1mbu20
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Signal Type	240
Signal Level	240 V
Relay Specifications	240 VAC
Product Type	Sensor
Power Supply Type	AC

Description

DDPI M12 P+ SN=4MM NC UNI FLUSH 20-2
