

XS618B1NBL2

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs618b1nbl2
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.05 kgs
Thread Specification	metric 18 × 1
Product Type	Sensor
Signal Type	48
Temperature	69
Signal Level	48 V

Description

Telemecanique Sensors Inductive Barrel-Style Proximity Sensor, M18 x 1, 8 mm Detection, NPN Output, 12 → 48 V
