

XS8D1A1PBM12

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs8d1a1pbm12
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	12 - 24 V
Product Type	Sensor
Signal Type	24
Signal Level	24 V

Description

Telemecanique Sensors Inductive Barrel-Style Inductive Proximity Sensor, M12 x 1, 60 mm Detection, Discrete Output
