

XS8E1A1PBL01M12

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs8e1a1pbl01m12
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Schneider Inductive proximity sensors XS, inductivInductive proximity sensors XS, inductive sensor XS8 26x26x13, PBT, Sn15mm, 12...24 VDC, M12 0.15 m (B)
