

XS908R1PAM12

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xs908r1pam12
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Telemecanique Sensors Inductive Barrel-Style Proximity Sensor, M8 x 1, 3 mm Detection, PNP Output, 12 → 24 V dc,
