

XUB2APANL2R

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	xub2apanl2r
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.05 kgs
Frequency	500 Hz
Signal Type	24
Voltage	12 - 24 V
Product Type	Sensor
Signal Level	24 V

Description

Telemecanique Sensors Through Beam Photoelectric Sensor, Barrel Sensor, 15 m Detection Range
