

ZB6ZB31B

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	zb6zb31b
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	12 - 24 V
Product Type	Module
Signal Type	24
Signal Level	24 V

Description

Element stykowy i podświetlający; 16mm; Harmony XB6; -40÷70°C
