

EF220-503

Industrial automation components

Manufacturer	Sew-Eurodrive
Catalog number	ef220-503
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Power	69
Component Specifications	ef220
Product Type	Module

Description

The EF220-503 is a module from SEW EURODRIVE, providing a power output of 69W. Compliant with the ef220 component specification, it is an ideal solution for applications requiring efficient energy management and precise control of industrial processes.
