

CDF600-0300

Industrial automation components

Manufacturer	Sick
Catalog number	cdf600-0300
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Component Specifications	cdf600
Interface Type	ethercat
Product Type	Module

Description

The CDF600-0300 module from SICK is an advanced solution featuring an EtherCAT interface, ensuring high performance in industrial applications. Its design based on the cdf600 component specification guarantees reliability and precision, making it an ideal choice for complex automation systems.
