

UE4470-22EE690

Industrial automation components

Manufacturer	Sick
Catalog number	ue4470-22ee690
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Component Specifications	ue4470
Interface Type	usb
Product Type	Controller

Description

The UE4470-22EE690 controller from SICK is an advanced device featuring a USB interface, ensuring high performance in industrial applications. Its design based on the ue4470 component specification guarantees reliability and precision. Ideal for integration into automation systems, it allows for easy connection with other devices.
