Manufacturer	Siemens
Catalog number	1hu3106-0ah01
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Siemens
Part Number	1HU3106-0AH01
Product Type	3-Phase Permanent Magnet Motor
Application Area	Industrial Automation
Category	Podzespoły automatyki przemysłowej

Description

The Siemens 1HU3106-0AH01 is a 3-phase permanent magnet motor designed for high-performance applications requiring precise control and efficiency. Manufactured by Siemens, a global leader in industrial automation, this motor is part of the SIMOTICS series, known for their reliability and advanced technology.

The 1HU3106-0AH01 model is engineered to deliver consistent torque and speed, making it suitable for various industrial applications such as robotics, CNC machinery, and conveyor systems. Key features include a robust design for durability, high efficiency for energy savings, and compatibility with Siemens' drive systems for seamless integration.

This motor is ideal for businesses seeking a reliable and efficient solution for their automation needs.
