Description

The Siemens 6AV1720-0AB00 is a robust industrial function keyboard designed for demanding environments. Manufactured by Siemens, this keyboard features 48 keys and boasts an IP54 protection rating, ensuring resistance against dust and water splashes.

It is configured as a desktop version with an X.27 interface, making it suitable for integration into industrial control panels, operator stations, and HMI applications. The keyboard's industrial durability and ergonomic design facilitate efficient operator control and data entry in various automation settings.
