## Description

The Siemens 6AV6574-1AF04-4AA0 is a wall-mounting bracket designed for various Siemens Mobile Panels, including the Mobile Panel 170, 177, 277, 277 IWLAN, 277F IWLAN, and Mobile Client900. This accessory provides a secure and convenient mounting solution for these devices, ensuring stability and ease of use in industrial environments. Constructed from powder-coated sheet steel, the bracket measures 200 mm in width, 230 mm in height, and 25 mm in depth, with a weight of 550 grams. It operates effectively within a temperature range of -40°C to 80°C, accommodating diverse operational conditions. The package includes one wall holder, and mounting parts are sold separately. For detailed specifications and installation guidelines, refer to the official Siemens datasheet.
