

6AV6643-0DD01-1AX1

Industrial automation components

Manufacturer	Siemens
Catalog number	6av6643-0dd01-1ax1
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	1.03 kgs
Display Size	10.4 inches
Display Resolution	640 x 480 pixels
Memory	6 MB
Configuration Software	WinCC flexible 2005 Standard SP1
Communication Interfaces	Ethernet, RS422, RS485, USB
Backlight Life Span	50,000 hours

Description

The Siemens 6AV6643-0DD01-1AX1 is a 10.4-inch Key Multi Panel from the SIMATIC MP 277 series, designed for industrial automation applications. It features a TFT color display with a resolution of 640 x 480 pixels, providing clear and detailed visuals for operator interfaces. The panel includes 6 MB of configuration memory, allowing for efficient storage and management of application data. Configurable with WinCC flexible 2005 Standard SP1, it offers flexibility in designing and implementing user interfaces. The membrane keyboard provides user-friendly control, and the device is equipped with multiple communication interfaces, including Ethernet, RS422, RS485, and USB ports, facilitating seamless integration into various automation systems. With a backlight life span of approximately 50,000 hours, the panel ensures long-term reliability and performance in demanding industrial environments.
