|-----------------------|----------------------------------|
| Manufacturer | Siemens |
| Catalog number | 6av7240-6ec07-0ha0 |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Active product |

Technical specification

| | |
|---------------------------------|-------|
| Component Specifications | rs232 |
| Interface Type | rs232 |
| Weight | 4 |

Description

The RS232 communication module weighs 4 kg and is designed for industrial applications. It enables reliable communication in automation systems, ensuring stable connections. The RS232 interface type guarantees broad compatibility with various devices, making it ideal for integration into complex control systems.
