

6DS1004-8AA

Industrial automation components

Manufacturer	Siemens
Catalog number	6ds1004-8aa
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Manufacturer	Siemens
Product Type	Module

Description

The Siemens 6DS1004-8AA module is an advanced industrial solution that delivers high performance and reliability in automation applications. As a product from the renowned manufacturer Siemens, this module is designed for integration into control systems, offering excellent build quality and durability.
