

6ES7272-0AA30-0YA0

Industrial automation components

Manufacturer	Siemens
Catalog number	6es7272-0aa30-0ya0
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.19 kgs
Display Type	LCD
Number of Display Lines	2 lines
Characters per Line	20 characters
Supply Voltage	24 V DC
Interface	RS 485
Maximum Number of Nodes	126 nodes
Degree of Protection	IP65
Dimensions	148 mm x 76 mm x 27 mm
Mounting Cutout Dimensions	138 mm x 68 mm
Weight	250 grams g

Description

The Siemens 6ES7272-0AA30-0YA0 is a SIMATIC S7 TD 200 text display designed for seamless integration with the S7-200 series PLCs. This device features a 2-line LCD display, each line capable of displaying 20 characters, facilitating efficient monitoring and control operations. It operates at a supply voltage of 24 V DC, ensuring compatibility with standard industrial power systems. The display is equipped with an RS 485 interface, supporting PPI protocol with a maximum of 126 nodes, and offers an IP65 degree of protection, making it suitable for use in industrial environments. The device measures 148 mm in width, 76 mm in height, and 27 mm in depth, with a mounting cutout of 138 mm by 68 mm, and weighs approximately 250 grams. Please note that this model has been discontinued and is no longer supported as of October 1, 2020. However, it remains repairable, allowing for extended usability and preservation of your investment.
