Manufacturer	Siemens
Catalog number	6fc3158-3ef
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	SINUMERIK 3T Machine Control Panel
Dimensions	38 cm x 23 cm x 52 cm
Color	Black
Compatibility	SINUMERIK 3T System
Manufacturer	Siemens
Part Number	6FC3158-3EF
Category	Podzespoły automatyki przemysłowej

Description

The Siemens 6FC3158-3EF is a black SINUMERIK 3T machine control panel designed for precise and reliable machine operation. This component is integral to the SINUMERIK 3T system, offering advanced control capabilities for industrial machinery.

Key features include a user-friendly interface, robust construction, and compatibility with various machine types. The panel's dimensions are 38 cm in width, 23 cm in height, and 52 cm in depth, ensuring a compact fit within control panels.

Its sleek black design allows for easy integration into diverse industrial environments. The 6FC3158-3EF is suitable for applications requiring high-performance control solutions, such as CNC machines and automated production lines.

Its durable design and advanced features make it a valuable asset for enhancing operational efficiency and precision in industrial settings.
