Description

The Siemens 6FC3985-7AU20 is an empty enclosure designed for the SINUMERIK 850/880 control panels. This 12-inch color display unit serves as the housing for the operator interface, providing a robust and durable framework for the control system.

It is intended for use in industrial automation applications where a reliable and sturdy enclosure is essential for housing the control panel components. The enclosure is compatible with the SINUMERIK 850/880 series, ensuring seamless integration with the control system.

This product is ideal for applications requiring a dependable and secure housing solution for control panel components in industrial settings.
