

6FC5103-0AB03-0AA2

Industrial automation components

Manufacturer	Siemens
Catalog number	6fc5103-0ab03-0aa2
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	4.65 kgs
Voltage	115 - 230 V
Signal Type	230
Signal Level	230 V
Measurement Range	115 - 230

Description

The Siemens 6FC5103-0AB03-0AA2 is a 19-inch Slimline Operator Panel designed for integration with SINUMERIK 840C and 840CE systems. It features a 9.5-inch color display, providing clear and vibrant visuals essential for precise machine control in industrial settings. The panel includes an integrated CNC full keyboard and operator panel interface, facilitating efficient and direct interaction with the system. Operating within a voltage range of 115–230 V AC, it ensures compatibility with standard industrial power supplies. Built to withstand continuous operation, the 6FC5103-0AB03-0AA2 is engineered for durability and reliability, making it suitable for demanding production environments where uptime is critical.
