Description

The Siemens 6FC5203-0AF02-0AA1 is a SINUMERIK OPERATOR PANEL FRONT OP 012, featuring a 12.1-inch TFT color display with a resolution of 800 x 600 pixels. Designed for seamless integration with Siemens SINUMERIK control systems, this operator panel offers a user-friendly interface for machine operation and control. It is equipped with a membrane keypad and an integrated mouse, facilitating intuitive navigation and parameter adjustments. The panel is housed in a robust enclosure measuring 483 x 310 x 30 mm and weighs approximately 5 kg, ensuring durability in industrial environments. The front panel has an IP65 protection rating, safeguarding against dust and water ingress, while the rear is rated IP00. This operator panel is compatible with various SINUMERIK systems, including 840D sl, 840Di sl, and PCU 321, making it a versatile choice for diverse industrial applications.
