Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Push Button Panel
Product Family	SINUMERIK FM-NC/840D/DE
Product Type	SINUMERIK FM-NC/840D/DE Push Button Panel
Brand	Siemens
Part Number	6FC5203-0AF27-1AA0-S09
Compatibility	SINUMERIK 840D CNC System
Interface	Membrane Keys

Description

The Siemens 6FC5203-0AF27-1AA0-S09 is a specialized push button panel designed for the SINUMERIK FM-NC/840D/DE system. This component is integral to the operation of Siemens' advanced numerical control systems, providing essential user interface functionality.

The panel features a robust design tailored for industrial environments, ensuring durability and reliability. Its ergonomic layout facilitates intuitive operation, enhancing user experience during machine control tasks.

This component is part of Siemens' comprehensive automation solutions, reflecting the company's commitment to quality and innovation in industrial automation.
