

6FC5210-0DA00-0AA0

Industrial automation components

Manufacturer	Siemens
Catalog number	6fc5210-0da00-0aa0
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.45 kgs
Product Type	Operator Interface Control Panel
Series	SINUMERIK
Hardware Platform	MMC 100.2
Processor	Intel 486
Display Languages	German, English

Description

The Siemens 6FC5210-0DA00-0AA0 is an Operator Interface Control Panel from the SINUMERIK series, designed for integration with SINUMERIK FM-NC/810D/DE/840D/DE systems. This module features the MMC 100.2 hardware platform, equipped with system software and an Intel 486 processor, ensuring reliable performance in demanding industrial environments. The display supports both German and English languages, providing flexibility for diverse user requirements. This component is essential for operators seeking intuitive control and monitoring capabilities within the SINUMERIK CNC system.
