Status	Active product

Technical specification

Manufacturer	Siemens
Part Number	6FC5270-6AX30-3AH0
Product Type	Technology PC Card
Software Version	6.3
License Type	Single License

Description

The Siemens 6FC5270-6AX30-3AH0 is a technology PC card designed for use with the SINUMERIK 840D CNC system. This module provides essential software functionalities to control and manage complex machinery operations within manufacturing environments.

It supports up to 12 axes, enabling precise and efficient control of multi-axis machining processes. The card operates with a standard software version 6.3 and is intended for single-license use. Manufactured by Siemens, a global leader in industrial automation, this component ensures high performance and reliability in demanding industrial applications.
