

6FC5303-0DT12-1AA0

Industrial automation components

Manufacturer	Siemens
Catalog number	6fc5303-0dt12-1aa0
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	4.54 kgs
Component Specifications	6fc5
Product Type	Cable
Product Family	SINUMERIK 802D SL
Cable Length	1.5 meters m
Layout	Vertical
Mounting Type	Beside Display
Series	SINUMERIK 802D SL
IP Rating	IP65

Description

The Siemens 6FC5303-0DT12-1AA0 is a full CNC keyboard designed for the SINUMERIK 802D SL series, featuring a vertical format and a 1.5-meter cable. This keyboard is intended for use in industrial automation applications, providing operators with a reliable and ergonomic interface for machine control. Key features include a membrane switch design for durability, compatibility with SINUMERIK 802D SL systems, and a vertical layout suitable for mounting beside displays. The 1.5-meter cable offers flexibility in installation, accommodating various setup configurations. This component is essential for operators seeking precise and efficient control in CNC machining environments.
