Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	SINUMERIK Push Button Panel MPP 483 HTC/L-L07
Application Area	Industrial Automation
Product Series	MPP 483
Brand	Siemens
Part Number	6FC5303-1AF03-8AF0
Category	Podzespoły automatyki przemysłowej

Description

The Siemens 6FC5303-1AF03-8AF0 is a SINUMERIK Push Button Panel MPP 483 HTC/L-L07, designed for industrial automation applications. This panel features a high-quality construction with a robust design, ensuring durability and reliability in demanding environments.

It offers seamless integration with Siemens SINUMERIK systems, providing intuitive control and monitoring capabilities for machine operators. The panel is equipped with multiple push buttons and indicators, facilitating efficient machine operation and status monitoring.

Its ergonomic design ensures ease of use, enhancing operator comfort and productivity. The 6FC5303-1AF03-8AF0 is suitable for various industrial settings, including manufacturing and processing industries, where precise control and monitoring are essential.
