Manufacturer	Siemens
Catalog number	6fc5840-3xg10-4ya0
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	NCU System Software
Software Version	1.4
Supported Axes	31 axes
HMI Languages	English, German, French, Italian, Spanish, Simplified Chinese
Delivery Medium	CompactFlash Card

Description

The Siemens 6FC5840-3XG10-4YA0 is a specialized software package designed for the SINUMERIK 840D sl CNC system. This software enables control of up to 31 axes, providing advanced capabilities for complex machining tasks.

It includes an embedded Human-Machine Interface (HMI) that supports six languages: English, German, French, Italian, Spanish, and Simplified Chinese, facilitating user interaction across diverse regions.

Delivered on a CompactFlash (CF) card, the package comes with a single license, ensuring secure and authorized use. This software is tailored for the SINUMERIK 840D sl system, offering enhanced functionality and user accessibility for sophisticated CNC operations.
