

6FX2007-1AC03

Industrial automation components

Manufacturer	Siemens
Catalog number	6fx2007-1ac03
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.43 kgs
Voltage	24 V
Product Type	Switch
Signal Level	24 V
Signal Type	24

Description

The Siemens 6FX2007-1AC03 is a hand-held controller designed for use with the SINUMERIK FM-NC/840D system. This unit features a 3.5-meter coiled B-MPI cable, providing flexibility and ease of movement on the production floor. It is equipped with two emergency-stop channels and two permissive switch channels, ensuring operational safety and compliance with industrial standards. The controller's dimensions are 114 x 252 x 110 mm, and it weighs 1.2 kg, making it suitable for demanding manufacturing environments. The power supply requirement is 24 V DC. This hand-held unit is an essential component for operators requiring reliable and efficient control within the SINUMERIK FM-NC/840D system.
