

6GK57863AA602AB0

Industrial automation components

Manufacturer	Siemens
Catalog number	6gk57863aa602ab0
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	2.72 kgs kg
---------------	-------------

Description

The SIEMENS 6GK57863AA602AB0 module is an advanced industrial device weighing 2.72 kg, designed for reliable communication in challenging environments. Its robust construction ensures long-lasting performance, while the employed technologies guarantee high-quality data transmission. Ideal for integration in industrial automation systems, this module meets the demands of modern applications.
