

6SC6100-0NA11

Industrial automation components

Manufacturer	Siemens
Catalog number	6sc6100-0na11
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.20 kgs
Product Type	Analog Control Module
Product Family	SIMODRIVE 610
Control Type	Closed-loop
Number of Axes	2
Country of Manufacture	Germany

Description

The Siemens 6SC6100-0NA11 is an analog control module from the SIMODRIVE 610 series, designed for precise control in industrial applications. This module features a closed-loop control system for two axes, ensuring accurate and reliable performance. Manufactured in Germany, it reflects Siemens' commitment to high-quality engineering. The 6SC6100-0NA11 is suitable for various industrial automation tasks, offering robust construction and dependable operation. Please note that this product has been discontinued, with the final year of support starting on September 30, 2012. For maintenance or repair services, please contact Siemens or authorized service providers.
