Manufacturer	Siemens
Catalog number	6sc6501-0ab02
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Siemens
Part Number	6SC6501-0AB02
Product Type	Compact Power Circuit Module
Product Series	SIMODRIVE 690
Current Range	7 to 14 A

Description

The Siemens 6SC6501-0AB02 is a compact power circuit module from the SIMODRIVE 690 series, designed for advanced motor control applications. It operates within a current range of 7 to 14 A, providing reliable performance for various industrial automation tasks.

Manufactured in Germany, this module is known for its durability and compatibility with a wide range of industrial applications. Despite its discontinuation, the 6SC6501-0AB02 remains a valuable component in the industry, with repair services available to extend its operational life.

This module is suitable for applications requiring precise motor control and robust performance.
