

6SE7016-1EA51-Z

Industrial automation components

Manufacturer	Siemens
Catalog number	6se7016-1ea51-z
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Manufacturer	Siemens
---------------------	---------

Description

6SE7016-1EA51-Z | Siemens Drive Converter, 2.2 kW | Brand / Manufacturer: Siemens | mass: 8.62 | product type: Drive Converter | power classification: 2.2 kW | supply voltage: 380 to 480 V ac | current rating: 6.1 A | output frequency: 50 Hz;60 Hz
