Description

The Siemens 6SL3054-0FB11-1BA0-Z is a CompactFlash card designed for the SINAMICS S120 drive system, offering performance expansion and licensing with version 5.1 SP1. It includes a Certificate of License stored directly on the card, ensuring straightforward and secure access to licensing information.

This card is RoHS compliant, indicating it meets environmental standards. It is factory-sealed and weighs approximately 12 grams, with dimensions of 170 mm in length, 10 mm in height, and 250 mm in width.

This CompactFlash card is essential for managing licenses and maintaining system integrity in industrial applications.
