

6SN1161-1CA00-0BA0

Industrial automation components

Manufacturer	Siemens
Catalog number	6sn1161-1ca00-0ba0
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.45 kgs
Product Type	Drive Bus Cable
Module Width	100 mm
Compatibility	SIMODRIVE 611-D System
Manufacturing Country	Germany
Manufacturer	Siemens
Product Family	SIMODRIVE 611-D
Country of Origin	Germany

Description

The Siemens 6SN1161-1CA00-0BA0 is a specialized drive bus cable designed for the SIMODRIVE 611-D system, facilitating communication between drive modules with a module width of 100 mm. Manufactured in Germany, this cable ensures reliable data transfer and system stability in industrial automation applications. It is engineered to meet the rigorous demands of industrial environments, providing robust performance and durability. The 6SN1161-1CA00-0BA0 is compatible with SIMODRIVE 611-D systems, offering seamless integration and efficient operation. This component is essential for maintaining the integrity and functionality of automation systems, ensuring continuous and efficient operation in various industrial settings.
