Manufacturer	Siemens
Catalog number	a7530-c120-03-85
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Siemens
Part Number	A7530-C120-03-85
Product Type	EWK-X30 Module
Application Area	Industrial Automation
Product Series	EWK-X30

Description

The Siemens A7530-C120-03-85 is a high-quality industrial automation component designed for seamless integration into Siemens SINAMICS S120 systems. Manufactured by Siemens, this module is part of the EWK-X30 series, known for its reliability and performance in demanding industrial environments.

The A7530-C120-03-85 module is utilized in various applications, including motion control and automation processes, where precise and efficient operation is crucial. Key features of this module include its robust construction, compatibility with Siemens SINAMICS S120 systems, and its role in enhancing the overall performance and reliability of automation setups.

This component is ideal for businesses seeking to maintain or upgrade their industrial automation systems with genuine Siemens parts, ensuring optimal functionality and longevity.
