Manufacturer	Siemens
Catalog number	ams-m350-a102
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Manufacturer	Siemens
Part Number	AMS-M350-A102
Product Type	Mass Storage Module
Series	SICOMP AMS
Compatibility	Siemens Industrial PCs and PLCs

Description

The Siemens SICOMP AMS-M350-A102 is a mass storage module designed for industrial automation systems, offering reliable data storage solutions. This module is part of Siemens' SICOMP AMS series, known for high-performance components tailored for automation applications.

The AMS-M350-A102 is compatible with various Siemens industrial PCs and PLCs, providing seamless integration for enhanced system performance. Key features include robust data handling capabilities and durability, ensuring consistent operation in demanding industrial environments.

This module is suitable for applications requiring dependable mass storage solutions, such as manufacturing plants and heavy machinery operations.
