Manufacturer	Siemens
Catalog number	bedientafel-boehringer-vdf
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Siemens
Part Number	551.958-003
Product Type	Control Panel
Application Area	CNC Machine Control
Compatibility	VDF Boehringer CNC Turning Machines

Description

The Siemens Bedientafel Boehringer VDF 5.40 551.958-003 is a specialized control panel designed for the Boehringer VDF CNC machine series. This panel serves as the primary interface for operators, facilitating precise control and monitoring of machining processes.

It is engineered to withstand the demanding environments of industrial settings, ensuring durability and reliability. The control panel features a user-friendly interface, allowing operators to efficiently manage machine functions and settings.

Its robust construction and intuitive design make it an essential component for optimizing the performance and longevity of Boehringer VDF CNC machines.
