Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Siemens
Part Number	KSP-M18-A16-RECHT
Alternate Part Number	C8451-A45-A31-9
Product Type	SICOMP Module
Product Family	SICOMP

Description

The Siemens KSP-M18-A16-RECHT, also known by part number C8451-A45-A31-9, is a specialized module designed for industrial automation applications. Manufactured by Siemens, this module is part of the SICOMP series, which is renowned for its reliability and performance in automation systems.

The KSP-M18-A16-RECHT module is engineered to integrate seamlessly with Siemens' automation platforms, providing efficient control and monitoring capabilities. Its robust construction ensures durability in demanding industrial environments, making it a preferred choice for automation professionals seeking dependable components for their systems.
