

PCF-112D2M.000

Industrial automation components

Manufacturer	Te Connectivity
Catalog number	pcf-112d2m000
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Przełącznik: elektromagnetyczny; SPST-N0; Ucewki: 12VDC; 25A; 160Ω
