

XS608B1NAL2

Industrial automation components

Manufacturer	Telemecanique
Catalog number	xs608b1nal2
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.02 kgs
Voltage	12 - 48 V
Product Type	Sensor
Signal Type	48
Signal Level	48 V

Description

XS608B1NAL2 | Schneider, OsiSense XS Series, Cylindrical Inductive Proximity Sensor, 12 to 48 V dc | Brand / Manufacturer: Schneider | product type: Inductive Proximity Sensor | series: OsiSense XS | body style: Cylindrical | thread size: M8 x 1 mm | detection area: 0 to 2 mm | output function: 1NO | rated voltage: 12 to 48 V dc | current rating: ≤10 mA | maximum switching frequency: ≤2500 Hz
