

XY2 CH13270

Industrial automation components

Manufacturer	Telemecanique
Catalog number	xy2-ch13270
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

XY2CH13270 | Schneider, XY2CH Series, Rope Pull Switch, 2NC, Pushbutton, 500 V (Insulation), Stainless Steel (Cover), IP65, Red, 201 x 95 x 68 mm, 0.865 kg | Brand / Manufacturer: Schneider | product type: Rope Pull Switch | series: XY2CH | security contacts: 2NC | type of actuator: Pushbutton | supply voltage: 500 V (Insulation) | Material: Zamak (Body);Stainless Steel (Cover) | level of security: IP65 | Colour: Red
