

CSD19536KTTT

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	csd19536kttt
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Tranzystor: N-MOSFET; unipolarny; 100V; 200A; Idm: 400A; 375W; D2PAK
