

INA121P

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	ina121p
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	1.36 kgs
Voltage	0.07 V
Frequency	600
Component Specifications	ina121p
Signal Level	0.07 V

Description

IC: wzmacniacz pomiarowy; DIP8; 600kHz; Ch: 1; 0,7V/μs; 0,3mV; tuba
